End of Summer Luau!

Arden Courts Sterling Heights invites you to meet our new dynamic coordinator team and find out more about what makes our memory care so special.

Enjoy a variety of on-themed cocktails, mocktails and tropical finger foods and treats.

Enter your business card or name to be entered to win a tropical BBQ gift basket.

AT ARDEN COURTS:

- The layout is residential by design
- There are visual cues to help maintain independence
- The community is organized into four separate "houses"
- Each "house" has its own living room, dining room, kitchen, bath, and laundry
- Community areas provide additional space for events, mingling, exercise, and fun
- Our enclosed, spacious courtyards offer safe walking paths, gardening opportunities, and seating areas
