How will we pay for care if the need lasts longer than expected?

Families often ask the same urgent question: How will we pay for care if the need lasts longer than expected? Join Arden Courts of South Holland to hear an eye-opening seminar presented by Kent Wallbruch, CLTC as he explains the most common ways families fund private-pay assisted living and memory care - and the hidden risks many don't discover until it's too late. Learn how certain solutions can provide a guaranteed monthly benefit for care costs, even when the timeline is uncertain. Discover how a loved one's age and health history can create planning opportunities many families overlook.

TOPICS OF DISCUSSION:

- How to reduce financial stress.
- How to protect assets.
- How best to use those assets when care is needed most.

But most importantly, Kent will show you practical strategies to help ensure your loved one receive the care they deserve, without exhausting family resources.
